Dear IVSA Alumni,

The rumor that there will be an IVSA Alumni network is out there for quite a while already with numerous failed attempts by several ExCos to set up a network like this.

Due to an organizational restructure of IVSA, namely introducing the Trust consisting of previous ExCo members, we will start a new attempt this year.

In order to set this network up we need important people? YOU! A network can just be a network when there are people actively participating in it. Therefore we are looking for interested people who attended IVSA events in the past or even served on the ExCo who want to connect to the association again, meet old friends and network with the students.

Right now we are planning to set up a first meeting of IVSA Alumni in conjunction with the upcoming 63rd IVSA Congress in Indonesia.

If you're interested in attending this meeting or in just in the IVSA Alumni network in general, we would like to ask you to get in touch with us and provide us with the following information about you:

Name

Contact data

Position

IVSA experience

So, please send those information to : trust@ivsa.org

Let's get this network started together and help IVSA to become an even greater organization!

Kind regards,

IVSA Trust
